

Professor Mohsen Rezaeian
Epidemiology Dep. Rafsanjan Health School. Rafsanjan University of Medical
Sciences. Iran.
Email: moeygmr2@yahoo.co.uk

Language

English and Persian proficient

Skills

The application of Geographical epidemiology and spatial analyses in studying public health related issues including disease mapping; disease clustering and ecological studies.

Education

Doctor of Philosophy. University of Manchester, England. 2002.

Master of Science. Tehran University of Medical Sciences, Iran. 1990.

Bachelor of Science. Tehran University of Medical Sciences, Iran. 1987.

Associate Degree. Isfahan University of Medical Sciences, Iran. 1985.

Position Title

Dean. School of Health. Rafsanjan University of Medical Sciences, Iran. Since 2019.

Dean. School of Medicine. Rafsanjan University of Medical Sciences, Iran. 2010-2015.

Editor in Chief. Journal of Rafsanjan University of Medical Sciences (JRUMS). Since 2008.

Editor in Chief. Journal of Suicide Prevention (JSP). Since 2018.

Society Membership/Leadership

Co-chair. Development of Effective National Suicide Prevention Strategy and Practice Special Interest Group. International Association for Suicide Prevention. Since 2018.

Founder. Iranian Scientific Society for Suicide Prevention. 2013.

Research Funding (Last 5 years only)

Principal Investigator. National Agency for Strategic Research in Medical Sciences Education (NASR) (IR.NASRME.REC.1402.056). Title “Designing a comprehensive national suicide prevention strategy for Iran. 2023-2024”. Competitive funding.

Principal Investigator. Rafsanjan University of Medical Sciences (RUMS) (IR.RUMS.REC.1402.004). Title “A comprehensive overview of dermatoepidemiology. 2023”. Competitive funding.

Principal Investigator. Rafsanjan University of Medical Sciences (RUMS) (IR.RUMS.REC.1401.202). Title “A comprehensive overview of educational epidemiology. 2022.” Competitive funding.

Principal Investigator. Rafsanjan University of Medical Sciences (RUMS) (IR.RUMS.REC.1400.189). Title “Covid-19 pandemic effects on mental health of migrants in the world: A systematic review. 2022.” Competitive funding.

Principal Investigator. Rafsanjan University of Medical Sciences (RUMS) (IR.RUMS.REC.1400.074). Title “Designing an international website for use in suicide prevention research. 2022.” Competitive funding.

Principal Investigator. Rafsanjan University of Medical Sciences (RUMS) (IR.RUMS.REC.1400.013). Title “The impact of the Covid-19 pandemic on social and economic anomalies in Kerman province. 2021-2023”. Competitive funding.

Principal Investigator. Rafsanjan University of Medical Sciences (RUMS) (IR.RUMS.REC.1399.136). Title “Possible effects of COVID-19 pandemic on suicide behavior around the world: A review study. 2021.” Competitive funding.

Principal Investigator. Rafsanjan University of Medical Sciences (RUMS) (IR.RUMS.REC.1399.090). Title “Assessing the serum level of minerals (Fe, Mg, Zn) and vitamin D, vitamin B12 and risk of attempted suicides. 2021.” Competitive funding.

Principal Investigator. Rafsanjan University of Medical Sciences (RUMS) (IR.RUMS.REC.1398.033). Title “Maternal Risk factors influencing Low Birth Weight in Rafsanjan township: A Case Control Study. 2020-2021.” Competitive funding.

Principal Investigator. Rafsanjan University of Medical Sciences (RUMS) (IR.RUMS.REC.1397.083). Title “Study the effect of type of delivery on preschool children’s weight: a case-control study. 2019-2020.” Competitive funding.

Principal Investigator. Rafsanjan University of Medical Sciences (RUMS) (IR.RUMS.REC.1397.064). Title “The geographical epidemiological suicide and attempted suicide and related social and economic factors in the townships covered by Mazandaran University of Medical Sciences. 2018-2020.” Competitive funding.

Principal Investigator. Rafsanjan University of Medical Sciences (RUMS) (IR.RUMS.REC.1397.110). Title “Validity and Reliability of Persian Version of the International Proposal Questionnaires on the Study of Nonfatal Suicidal Behavior and Related Features in Students within Muslim Majority Countries. 2018-2019.” Competitive funding.

Principal Investigator. Rafsanjan University of Medical Sciences (RUMS) (IR.RUMS.REC.1397.105). Title “A meta review of scoping reviews in the area of suicide research indexed in PubMed. 2018-2019.” Competitive funding.

Students Supervision (Most recent)

Ms. Shiva Pouradeli. Ph.D. Title of thesis “The impact of the Covid-19 pandemic on social and economic anomalies in Kerman province. 2021-2023”. To be completed in January 2024.

Ms. Farkhondeh Hemati. MSc. Title of thesis “Investigating the trend of suicide and attempted suicide in two periods before and after the COVID-19 pandemic in the cities covered by Shiraz University of Medical Sciences: an interrupted time series analysis”. To be completed in December 2024.

Mr. Hamireza Naiemabadi. MSc. Title of thesis “A study of suicide thought & attempt among the students of one of the biggest IRAN University of technology”. To be completed in March 2024.

Ms. Sadigeh Valizadegan. MSc. Title of thesis “Geographical epidemiology of suicide in the cities of Kohgiluyeh and Boyerahmad province over the years 2012-2022”. To be completed in March 2024.

Ms. Zahrasadat Hossini. MPH. Title of thesis “Relationship between domestic violence and neonatal Outcomes: a case control study”. To be completed in October 2023.

Ms. Zahra Bahramnejad. Medical student. Title of research project “Evaluation of virtual learning satisfaction of medical students of Rafsanjan University of Medical Sciences at the time of the Covid-19 pandemic in 2021.” To be completed in October 2023.

Ms. Faezeh Gazanfari. Medical student. Title of research project “Satisfaction paramedical, nursing, health care and dental faculty members of Rafsanjani University of Medical Science with Electronic Education during the Covid-19 pandemic”. To be completed in October 2023.

Mr. Mohmmad Momeni. MSc. Title of thesis “Investigate the relationship between the trend of mortality of children under 5 years old and the economic and health status of their families during 2011-2020 in Rafsanjan city”. Completed in 2023. Health Care Advisor. Yazd University of Medical Sciences.

Ms. Ashraf Ganjoie. MSc. Title of thesis “Correlation of Suicide Rates and Indicators of Peace, Life Expectancy, Human Development and Gender Equality in 144 countries: An Ecological Study”. Completed in 2023. Health Care Advisor. Sarcheshmeh Mining Complex.

Ms. Najmeh Mohammadi. MSc. Title of thesis “Maternal Risk factors influencing on Low Birth Weight in Rafsanjan township: A Case Control Study”. Completed in 2022. Health Care Advisor.

Ms. Kimia Damghani. Medical student. Title of research project “Reasons for selecting medicine and the extent of changes in students’ motivation following one academic year in Rafsanjan University of Medical Sciences.” Completed in 2022. Practising as a medical doctor.

Mr. Poria Pakzad. Medical student. Title of research project “Evaluation of learning models among medical students in Rafsanjan University of Medical sciences based on Vark questionnaire.” Completed in 2022. Practising as a medical doctor.

Mr. Alireza Fatehi. Medical student. Title of research project “Evaluation of specialized english curriculum from the perspective of students of Rafsanjan faculty of medicine in 2021.” Completed in 2022. Practising as a medical doctor.

Ms. Elham Hashemipor. MSc. Title of thesis “A survey on the survival rate of patients with colorectal cancer in Kerman province”. Completed in 2021. Health Care Advisor.

Ms. Mahdiah Nabradi. MSc. Title of thesis “A survey on the frequency of suicide news published in newspapers and national news agencies in Iran in the year of 2018 - 2019 and its concordance with the suicide news publishing guideline in the media”. Completed in 2021. Health Care Advisor.

Mr. Abollah Rahmani. MSc. Title of thesis “Determining of Important Messages for a Suicide Prevention Media Campaigns According to Experts in Iran at 2018-2019: A Delphi Study”. Completed in 2021. Health Care Advisor.

Ms. Motahreh Tagvaie. Medical student. Title of thesis “Medical Students’ Satisfaction with Journal Club Meetings at Rafsanjan University of Medical Sciences” Completed in 2021. Practising as a medical doctor.

Conference Organization and Participations (Most recent)

31th International Association for Suicide Prevention Conference. Australia. 2022. A member of the scientific committee and presenter.

30th International Association for Suicide Prevention Conference. Northern Ireland. 2019. A member of the scientific committee and presenter.

29th International Association for Suicide Prevention Conference. Malaysia. 2017. A member of the scientific committee and presenter.

Awards

Best Researcher Award. Rafsanjan University of Medical Sciences, Iran. 2022.

Best Researcher Award. Rafsanjan University of Medical Sciences, Iran. 2018.

Best Researcher Award. Rafsanjan University of Medical Sciences, Iran. 2017.

Best Researcher Award. Rafsanjan University of Medical Sciences, Iran. 2013.

Best Researcher Award. Rafsanjan University of Medical Sciences, Iran. 2012.

International Scientific Collaborations

Member. The Global Burden of Disease (GBD) Collaboration.

Member. The International COVID-19 Suicide Prevention Research Collaboration (ICSPPRC).
